

February 2024

To whom it may concern,

I am writing to express my interest in the Photography position.

I just relocated to beautiful Orange County, and this would be an incredible opportunity for me to do what I absolutely love, get to work with like minded individuals creating fashion forward content in a fast paced creative environment.

I have been a professional photographer for over 15 years, enjoying every facet of this industry. I have a strong foundation in proficient lighting techniques and studio photography skills. I am confident that I can use my skills to create stunning images for your company and the fashion products for your trend setting website and social platforms.

*For the past 10 years I have successfully run a boutique lifestyle and portrait photography studio in Tel Aviv. I have a proven track record of creating high-quality images that meet the needs and briefs of my clients.*

I am an incredibly motivated and energetic individual, and always looking for new challenges. I live for collaborating with other creative people to bring a feeling and story to life both in and out of studio settings. I am exceedingly confident that I will work passionately to create the best possible images for your needs!

When opportunities to work outside of Israel came up, as an American citizen I chose to seize the *circumstance* to a more grounded calmer daily environment. I finished a project in NY, and just relocated to Orange County with my family. I am excited about this opportunity to work with your company, and I can assure you that I will make a significant contribution to your team.

I have attached my resume for your review, and I would be happy to provide you with any additional information you may need. Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,

Lynn Counio
